Gajardoni (ITA) 2004 ; Leon ; LEON Paul GBR) 2004

PBT (HUN) 2004 ; Negrini (ITA) 2005 ; Blue Gauntlet (USA) 2007

According with the material rules available on the site www.fie.ch :

- All masks should have besides the FIE logo stamped the 1600 N (newton) lettering.
- In addition to the logos all Masks must have the CE/EC logo, and mention the EN 13567 LEVEL 2 and must have passed the EC institutes and be approved by the FIE's SEMI commission.
- The Visor must have the month and year of fabrication stamped in a permanent and visible way; and the visor is valid for 2 years counting from that date.
- Marking Example in a mask: the manufacturer of a mask that received a CE and FIE approval / homologation on 2004, must mark the mask the mask spring (tongue / resort) with: FIE + manufacturer Brand name + CE + 1600 N + EN 13567 level2 + the year of manufacturing starting from 2004 up to 2005, 2006, 2007, 2008, 2009, 2010 ...

Eng. José Eduardo Correia Dos Dos Santos
